# **Business Theme Pack**

Information Sheet

## About this Theme Pack

The Business Theme Pack includes 3 professionally-designed themes that have been rigorously tested all the major web-browsers, with unique Web 2.0 effects.

**Business Funk** will give your company a professional and trendy look and with fade in menus you get a web 2.0 feel.

**Business Skyline** is unique with a skyline header and slide-in menus. If you're looking for a fun theme you'll love this one.

**Business Media** is clean and professional. Subtle gradients and fade in effects will have your clients thinking you're a pro web designer.

**N.B.** This theme pack requires RapidWeaver 3.5 or greater

## Installing the Theme Pack

Installing the three themes is easy:

1. After purchase, be sure to click the 'Download Now' button in your receipt to download the theme disk image
2. Double-click the downloaded file, to open it.
3. In the Disk Image, simply double-click all three .rwtheme files.
4. RapidWeaver will launch and install the themes.
5. Re-launch RapidWeaver to use the themes.
